

2 & 3 Creation Lesson #20- - God created man

| | |
|------------------------------------|--|
| Aim/Goal: | To show the children that in addition to all the animals, God created man. |
| Bible Verse: | Genesis 1:27a “And God created man in His own image...” Alternate verse: Psalm 139:14a “I will praise You, for I am awesomely and wonderfully made;...” |
| Bible Reference: | Gen1:26-27 “And God said, Let Us make man in Our image, according to Our likeness; and let them have dominion over the fish of the sea and over the birds of heaven and over the cattle and over all the earth and over every creeping thing that creeps upon the earth. 27 And God created man in His own image; in the image of God He created him; male and female He created them.” |
| Story Suggestion: | Show the children how we are made in a special way, different from the animals. God created animals in a certain way. He also created human beings in a special way. You can show how are bodies are made with 2 arms and 2 legs so that we can walk and work. We have 10 fingers and 10 toes. Ask what are the fingers for? Could you hold a cup without fingers? God gave us eyes to see, ears to hear, hands to touch and a nose to smell. How about a tongue and a mouth to speak? Can you speak with your mouth closed? How about we get up and act how we use our legs to walk, how about our fingers to hold a crayon? How about a snack sample to show how we use our mouth to eat? |
| Craft /Activity Suggestion: | Ideas include picture frames to put the children’s photo in it. If possible, take photos the week before unless you have a portable printer. You can buy frames at any craft store that can be easily decorated with stickers or crayons. Use a string around the back to hang it or glue a magnet to put on refrigerator. |
